ABOUT US

BGV Invest is a 100% Vietnamese-owned company, founded by Master Jessica Huyen Do, a distinguished entrepreneur featured on reputable TV channels such as HTV7, VTV9, THVL1, and H1, and a guest speaker for leading global investment immigration platforms including Uglobal and EB5Investors (USA).

We support clients throughout the entire journey – from eligibility assessment and project selection to connecting with immigration attorneys and securing a U.S. Green Card, permanent residency, and ultimately U.S. citizenship through the EB-5 program.

BGV Invest is also a professional international real estate brokerage, with a network of over 100 trusted developers and project sponsors across the U.S., Canada, Australia, and Europe, offering a diverse range of investment opportunities.
